Dear Parent/Guardian,

I am writing to inform you of an important evening for you and your son/daughter; the Information Evening for Year 10. This academic year marks the beginning of a number of significant changes to the GCSE structure, making this even more of an important event. The evening will assist both students and parents with the transition to the examination phase of secondary school and provide guidance in terms of what these changes will mean for your son/daughter.

This year's Information Evening will be on **Thursday 15th September** and will run from **6:30pm until 7:45pm**. It will be an opportunity for the core subject areas of English, Mathematics, Science and Religious Education to impart some key information on the individual nature of their subjects and to give guidance on how to be successful in tackling Controlled Assessments and exam preparation.

There will also be some input on other elements relating to the nature of Year 10. You will receive a booklet at the evening which will summarise key dates and coursework details amongst other relevant information.

I do hope that you will be able to attend this crucial evening with your son/daughter; as a school we have received very positive feedback from previous events. Refreshments will be available for you as you arrive from 6.15pm, with the presentation beginning in our **Main Hall at 6:30pm**.

May I also take this opportunity to remind you that **Year 10 Parents' Evening will be held on Thursday 24th November from 5pm to 8pm**.

Please do not hesitate to contact me if you would like any further information on either evening.

Yours sincerely,

Megan Kennedy
