September 15<sup>th</sup> 2016

Dear Parent/Guardian,

I am writing to inform you of an important evening for you and your son/daughter. Five years ago we began hosting an Information Evening for Year 11 and this has proved a successful event which assists both students and parents during this important GCSE year.

This year's Information Evening will be on **Thursday 22<sup>nd</sup> September** and will run from **6:30pm until 7:30pm**. It will be an opportunity for the core subject areas of English, Mathematics, Science and Religious Education to impart some key information on their individual nature of their subjects and to give guidance on how to be successful in tackling Controlled Assessments and exam preparation.

There will also be some input on other elements relating to the nature of Year 11. You will receive a booklet at the evening which will summarise key dates and coursework details amongst other relevant information.

I do hope that you will be able to attend this evening with your son/daughter; as a school we have received very positive feedback from previous events. Refreshments will be available for you as you arrive from 6.15pm, with the presentation beginning in our **Main Hall at 6:30pm**. Please note this is a separate event to the Academic Mentoring day which is also on the 22<sup>nd</sup> September.

Please do not hesitate to contact me in you would like any further information on either evening.

Yours sincerely,

Steph Hancock.  
Year 11 Leader.
