**What will you do to raise your
attendance???**

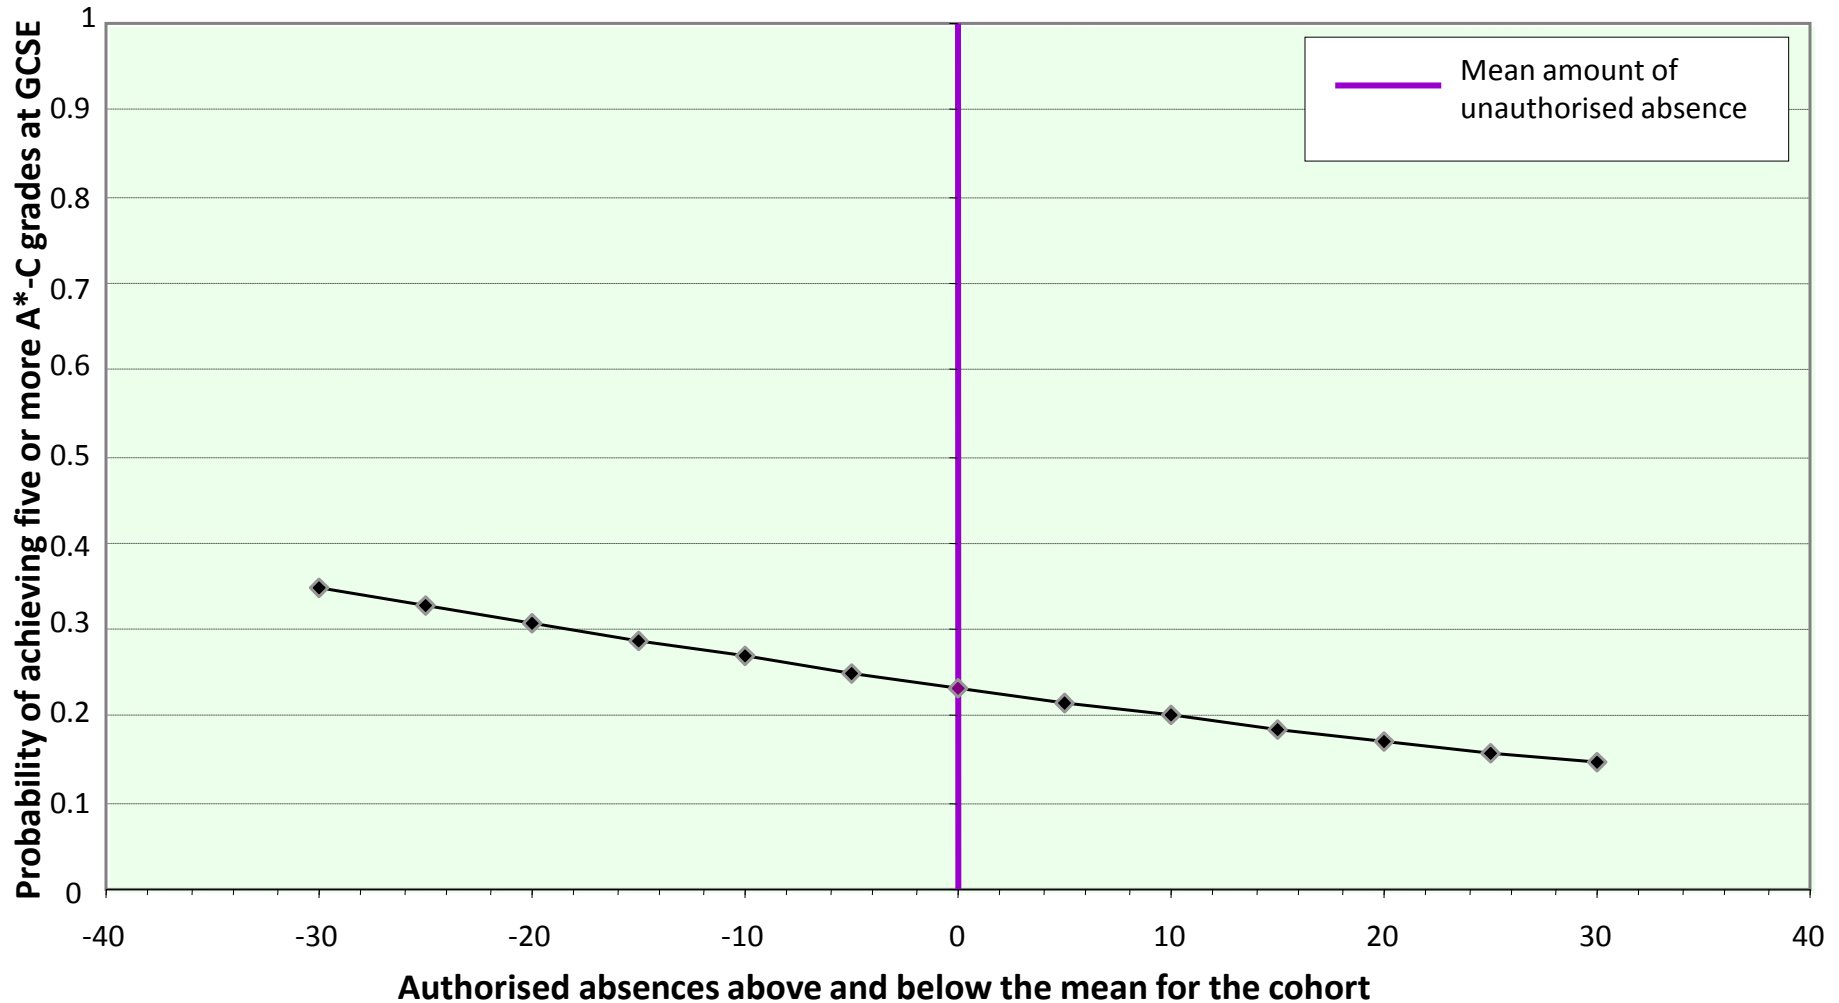

Absence from School

- The more “time off” you take, the greater the negative impact will be on your progress....
-even if it is authorised!!!
- 90% attendance over the course of your 5 years at St Wilfrid's means the loss of **half a year's** worth of learning
- 80% attendance means the loss of **one whole year's worth of learning!!!!!!!**

Effect of authorised absence on student attainment
