Dear Parents,

Re PE uniform

It has come to my notice of late that standards of PE uniform in Year 10 are slipping. In line with the school's drive for outstanding standards in appearance, may I remind you of our expectations of students' kit for Physical Education. I would be grateful for your support in ensuring that students are supplied with and then bring in correct kit. Please see below for a list of appropriate clothing. Some items placed in brackets are acceptable for Yr 10 students, in recognition of their increasing maturity.

Core PE (non examined)

Girls :

Boys :

Polo shirt, black preferably with crest (white)	Polo shirt, black with crest
Plain black shorts or tracksuit bottoms, preferably with crest – not blue or $\frac{3}{4}$ length	Plain black shorts or tracksuit bottoms, preferably with crest
Long black socks (change of socks, white)	School rugby shirt with reversible band and crest
Training shoes, not plimsolls / slip ons	Long black socks (change of socks, indoors)
School fleece, no cardigans	School fleece, black with crest (optional)
	Training shoes, not plimsolls / slip ons
	Football boots

Examination PE (GCSE & Btec)

As above but with the optional addition of the yellow Physical Education t-shirt, which recognises the contribution made by students in these groups to PE across the school.

If there are good reasons why a student might not be wearing regulation kit on any given occasion, it is expected that students bring a note from parents. Failure to bring kit or a note will result in a sliding scale of sanctions according to number of repetitions.

May I thank you for your cooperation in this matter. Smartness is indicative of a respectful attitude in all walks of life and St Wilfrid's prides itself on preparing our young people to be responsible members of the wider community.

Please feel free to contact me for clarification of the above, or to individually discuss the viability of purchasing some items.

Yours sincerely,

Mr N Turner, Subject Leader Physical Education
