Dear Parents/Carers,

What a brilliant first term this has been for Year 8 students.

As you will be aware from more recent communications, as a result of our curriculum review, St. Wilfrid's will not now be hosting an Options Evening during Year 8; it will take place as in previous years, during Year 9.

The Year 8 full reports will be moved from February to 3rd July 2012 and replaced with the Progress and Learning grades. The reason for this was that we had placed them into the spring term so that they would link with preparation for Options in Year 8, as we no longer have that to consider it seems sensible to take them out of this part of the year. The timing of the Progress and Learning grades sits neatly with the upcoming Year 8 Parent's Evening on 8th March, enabling insight on how each student is progressing.

Most recently, we have hosted a consultation evening regarding the recent Curriculum Review that you will be aware of from previous communications. From this evening, I have added some FAQs to the school website, in the hope that they can answer any queries you may have.

Finally, may I take this opportunity to wish you a peaceful and restful Christmas.

Yours sincerely

Mrs L. Keynes-Youngman.

Yr 8 Leader.
