

# Catholic Social Teaching in SEND

**Human Dignity**

The respect that all students with disabilities are given. This includes the respect shown where an individual needs support with personal care.

**Solidarity**

We are well aware of our students needs and we support them. We empathise with them in their many difficulties and with their parents.

**Stewardship**

We look after our resources and specialist equipment, so that we can use it for future students.

**Participation**

All students are supported so that they can participate in all activities in school and on trips.

**The Common Good**

What is good support for our SEND student, on dyslexia support, is good for all.

**Rights and Responsibilities**

All students with any SEND have the right to be supported. They all have the same responsibility to be kind to others and are expected to follow the school behaviour policy.

**Option for the Poor**

We have prioritised money for equipment for our students on lower incomes when needed.
